

## ON THE JOURNEY

### God is With Us!

*This week we celebrated Christmas, the coming of Jesus into the world. Christmas in our culture, and in much of the world is celebrated like this, we gather together with our families, we feast, and we give each other gifts. We become enamored with the new gadgets and toys that entertain us. And for many, that is what Christmas is all about.*

*The real meaning of Christmas is not nearly as much about our PRESENTS, as it is about His PRESENCE. The true meaning of Christmas is that God has come to us, that He enters our world, and goes through life with us. God's presence is with us in the good times and in the bad times, through our joys and through our sorrows, through our laughter and through our tears, through our successes and through our failures, through our hellos, and through our goodbyes. God is with us if we win the lottery or if we lose the farm. God is with us when we feel His presence, and God is with us when we don't feel Him with us at all. God is with us!*

*There is a story in the Gospel of Luke, in chapter 24. On Easter Sunday, two of Jesus' disciples were going to their home in Emmaus after the Passover celebration. They were heartbroken, they wished so much that Jesus would have become their long-awaited King and Messiah. Their heads were hung down, they were feeling weary and defeated, profoundly disappointed that life didn't turn out as they wished it did. That evening, as they shared their bread and their home with a stranger, their eyes were opened, and they made this profound discovery, Jesus is alive, and he is with us on our journey, even when we don't realize He was there!*

## WORSHIP

**Focus statement:** Christmas is a wonderful time of Joy, is it not? We sing "Joy to the World" and "Oh Come All Ye Faithful" and feel so positive about our faith. But Christmas is not a time of great joy for everyone. That First Christmas was not a fountain of bubbling joy for everyone either. Soon after Jesus was born, King Herod had all the boy babies around Bethlehem killed in an effort to kill the young Jesus. The heartache of the mothers and fathers who had their infant children ripped from their arms and from their hearts seemed to be unbearable. The Prophet Jeremiah had prophesied about this heinous event many years earlier.
