WORSHIP

Focus statement: In the Bible, there are two miraculous catches of fish, one at the beginning of Jesus ministry, and the other at the end. There are enough differences between the two to indicate that the two are not the same story. The focal point in neither story is really about catching fish, they are an invitation to people Jesus is calling to invest their future in Jesus and what Jesus is doing. When Jesus says, "Cast your net..." what Jesus is inviting them to do is to cast their lives and future with Jesus, as followers of Jesus, and be a part of what Jesus is doing. And of course, both times their nets were full, indicating that their lives would be fruitful, would be full and overflowing with the blessings of Redemption.
