When I was a young man, I was a person who loved to daydream about all the things that I wanted to do in life. I remember how I so enjoyed the farm and growing up with all kinds of animals. My first love was horses. I wanted to work with thoroughbred racehorses and actually met a man who worked on a thoroughbred farm. But then I wanted my dad to raise pigs. All I could talk about was pigs! That love was soon lost after realizing that every Saturday morning we had to clean with shovels, the pig pens,--not fun. So then I discovered dairy cattle and truly fell "in love" with them. I begged my dad to buy some cows, for now, I wanted to be a dairyman. And, my dad did! We purchased a small herd of Holstein cows and I bought a couple of Brown Swiss cows and I started my

career as a dairyman!

Those were my plans. To milk cows, farm the land, and raise a nice family. My life

was set. In fact, I could have covered several "lifetimes" with my plans. After all, I had all the time in the world, right? I was quickly reminded through different things that came about in life that my plans didn't take precedence over God's will for my life. And now I'm very glad about that! I struggled at first when my plans were changed, but I realized that God had other plans. He had His will for my life and I discovered that God's will and

Outreach

FMW Sewing November Project is to support **CAM** with Cozy Comforters

People in needy countries who experience cold winters appreciate thick comforters to keep them warm. A comforter can also be a soft mat for people in Liberia and Nicaragua who don't have a bed to sleep on. You can bless a needy family by making a lightweight or heavy comforter in any size.

God won't tell you His plans are the best, He will show you his plans are the best. Way better than what we make and call plans. ~ unknown

His plans were God's best for me, and I knew that's where I needed to be! James reminds us in chapter 4 verse 14 that our life on this earth is but a vapor that appears for a little time and then vanishes away. We can have all the plans we want, but again James reminds us that we should give our lives over to God's will, not our own boasting about our plans because we don't know what tomorrow brings. God has our best in-store, whatever that may be, and there is no better place to be!

The Middlebury Food Pantry recently got a call from a donor in South Bend with a gift of 100 frozen turkeys to be given away to the food pantry clients for Thanksgiving. The food pantry is asking local churches to please participate in a Thanksgiving food drive to gather Thanksgiving dinner meal sides. Things like stuffing, mashed potatoes, gravy, dessert mixes, favorite side dishes to go with turkey. What do you like to eat for Thanksgiving? There are many families out there that would like to make a nice home cooked meal for their family for thanksgiving. Won't you dig deep and see what you can contribute. Please drop off your donations by the shopping cart in the church foyer in the coming weeks before Saturday, November 19th.
